• Due on Monday, 29 August. You may leave it with my Lab Assistants in SI 130/132 by 8:00 p.m.

• Attach this cover sheet to this assignment.

• Copy all of your work onto engineering pad paper!

• Give enough details about each problem so that I should NOT need to refer back to the text.

• p. 91: #54 & #56.
  
  Use regular implicit differentiation to find $\frac{dV}{dp}$.

• p. 92: #72.

• p. 92: #73.
